Michael J. Perry holds a W. Woodruff Chair at Emory University, where he teaches in the law school. Previously, Perry held the Howard J. Trienens Chair in Law at Northwestern University, where he taught for fifteen years, and the Emmanuel College Chair in Law at Yale Law School. Perry has written on constitutional law and theory; law, morality, and religion; and human rights. His work has been recognized with books, including The Idea of Human Rights; We the People: The Fourteenth Amendment and the Supreme Court; Under God?: Religious Faith and Liberal Democracy; Toward a Theory of Human Rights: Religion, Law, Courts, and Constitutional Rights, Moral Controversy, and the Supreme Court.

In this important new work in political and constitutional theory, Michael J. Perry elaborates and defends an account of the political morality of liberal democracy: the moral convictions and commitments that in a liberal democracy should govern decisions that affect laws or morals and policies to pursue. The book examines five controversial cases in which the political morality of liberal democracy may be important: (a) the proscription of same-sex unions; (b) the constitutionality of same-sex marriage; (c) the legal recognition of same-sex unions; (d) the benefit of law to same-sex couples, and what role religion should play in the politics and law of a liberal democracy.

The Political Morality of Liberal Democracy
Michael J. Perry
